

Dear MWES Families:

On **Friday, March 2, 2018** our school will be hosting ***JA in a Day***, a unique, hands-on education program operated by Junior Achievement of Central Maryland. This in-classroom event encompasses elements of community, economics, work readiness, financial literacy, and entrepreneurial skills.

JA in a Day is different from other JA programs in that the entire JA elementary school program is covered in the course of one day in the school. At the end of the day, the students will have completed five JA lessons and will earn a JA certificate.

To ensure a successful event, we need one or two volunteer(s) for each classroom. The volunteer(s) will lead each of the activities while the classroom teacher works in a supporting role. Each session has detailed instructions and is designed for the volunteers to implement the activities with ease. All volunteers are required to participate in a brief training session that will familiarize them with the materials. Junior Achievement personnel will conduct the training.

Volunteer Expectations:

- Attend the training session at MWES on February 12th at 8:15-9:00am
- Commit to being at MWES from 8:30am-3:00pm on Friday, March 2, 2018
- Prepare for a smooth day by familiarizing yourself with lessons and materials before March 2, 2018
- Be enthusiastic and willing to work with students!

Please complete the tear off below and return it in your child's folder to the attention of ***Melissa Glover (PTA – JA in a Day)*** as soon as possible and by February 8, 2018. Alternatively, you may email Mrs. Glover with the required information at ***meglover13@yahoo.com***. After providing the below information, you will be contacted with further details.

Our students look forward to ***JA in a Day*** each year. It is a wonderful opportunity to be a part of your child's education! Thank you for your support!

_____ Yes I want to volunteer for ***JA in a Day*** on **Friday, March 2, 2018!**
