### SCHOOL NEWS (new or updated items in blue)

**MWES PARENT MATH NIGHT:** Please join us on April 19<sup>th</sup>, at 6:00pm for an evening focused on math representation. There will be sessions for parents of students in the primary and intermediate grades. Please remember this evening is for parents only. If you have any questions about our Parent Math Night, please contact Ms. Lozupone at [Katelyn\\_Lozupone@hcpss.org](mailto:Katelyn_Lozupone@hcpss.org) or Mrs. Broadhurst at [Kimberly\\_Broadhurst@hcpss.org](mailto:Kimberly_Broadhurst@hcpss.org).

**PARCC ASSESSMENTS – THIRD, FOURTH AND FIFTH GRADE:** Third, fourth, and fifth grade students will take the Partnership for Assessment of Readiness for College and Careers (PARCC) this spring. This computer-based assessment is taken by all students in grades 3-5 in the state of Maryland. Each testing session is 60-90 minutes in length. Additional details, links to sample test items, and parent resources are available at <http://www.hcpss.org/academics/testing/parcc/>.

Testing dates are as follows:

Grade 3 & Grade 5: Mathematics - April 24, 26, 28, May 1  
English/Language Arts - May 9, 11, 15

Grade 4: Mathematics - April 25, 26, 27, 28  
English/Language Arts - May 10, 12, 17

\*Please note that 4th graders are scheduled to test on April 27, Take Your Child to Work Day

There is nothing you need to do to prepare your child for this test, other than ensure he or she get a good night's sleep and eat a healthy breakfast on testing days. Please try not to schedule appointments on any of the testing dates. For students who are ill, makeup testing will be provided. If you have any questions, please contact your child's teacher or Mrs. Bialeski.

### Bricks4Kidz LEGO® After School Everglades/Life Science

This 6-class session covers both topics - Exploring the Everglades and Life Science! Everglades: Build an alligator with a mouth that opens and closes, an airboat to speed across the water, a bird with wings that flap and imagine yourself on a journey through the Everglades! This unique and fragile ecosystem is the only sub-tropical preserve in North America, and you learn what makes it a special place, without the mosquito bites! Also learn why mosquitos are actually very important pests! Shrink down to mini-figure size and climb aboard our LEGO® airboat tour through one of our country's largest national parks! Life Science: Explore the fascinating science of living things while building models of creatures from caterpillars to dinosaurs! Topics include: how the human body stays cool, the amazing life cycle of a butterfly, and the Venus Fly Trap - a plant that eats bugs! If you love creatures - this class is for you! Bricks4Kidz is a STEM-based program that teaches science and technology concepts using LEGO® bricks. (No class 5/29.)
